Make Your Business Age friendly-and Watch it Grow!

It's easy to make your business age friendly. Most age friendly practices are low or zero cost and can mean a big difference in your bottom line.

Simple changes such as making your business easier to find, enter, move around and make purchases in are good for your customers and better for your business.

By advertising yourself as an age friendly business, you are letting older people know that you value their custom and you are committed to serving them. Join the Age Friendly Business community today and learn how to attract and retain this powerful customer base.

The Cork Age Friendly Office and the Cork County Council's Local Enterprise Offices invite you to come to a Business Training session (free of charge) in the following Age Friendly Towns;
