Issue Date:	20 September 2021

Following on from the launch of AIS in November 2020 and the continued parallel running of both the Automated Import System (AIS) and Automated Entry Processing (AEP) system.

Revenue is now announcing the closure of AEP to all new Import and eManifest declarations from the **04 October 2021**.

The following messages will be blocked from this date

- Import SAD (X12)
- Import Supplement (X15)
- Import eManifest (MD115)

If these are submitted, then you will receive a negative IM516 or MD116 with the error code CMPV000201 (Message not supported). Please refer to published guides for message header information

The change will not block the following messages

- Import SAD amendment (X31)
- Import SAD Correction (X17)
- Import eManifest amendment (MD113)
- Import eManifest cancellation (MD114)
- All Export related messages

The following timelines will need to be noted and observed:

- Import SAD amendment (X31) - these will be accepted for a period of six months following the close of AEP.
- Import SAD Correction (X17) - these will be accepted for a period of six months following the close of AEP
- Import eManifest amendment (MD113) - these will be accepted for a period of six months following the close of AEP
- Import eManifest cancellation (MD114) - these will be accepted for a period of six months following the close of AEP

After this date Declarants that need to amend an import SAD will need to contact the Import Station directly
