Workplace Innovation for Business Competitiveness

## open calls for proposals

**APPLY NOW!**

Start at Best has just launched three national open calls and one Europe-wide open call. With a total budget of €225,000, the project is aiming to support 30 individual companies or consortia of firms and providers by allocating direct funding through grants of €7,500.

Start at Best promotes workplace innovation initiatives and examples of best practice while actively encouraging wider engagement and participation in the workplace innovation process across the business or organization.

If you are a Start-up, micro-firm or SME interested in **improving the performance** and working lives of your employees, as well as **encourage their creativity** through positive organisational changes, integrating Workplace Innovation actions in your organization, **make sure you don't miss this opportunity!**
