

# Business Users Support Scheme for Kerosene **BUSSK**

The Government is supporting businesses that use kerosene for heating to manage the financial impact of increased costs during 2022. BUSSK is now open for applications.

Eligible businesses that have purchased a minimum of 1,000 litres of kerosene for heating purposes can receive a payment of half of their increased costs during the period 1 March to 31 December 2022 (compared to the same period in 2021). There is a guaranteed minimum payment of €500.

Businesses that have already received payments under the Temporary Business Energy Support Scheme are eligible to apply to this scheme.

Businesses with multiple premises can apply for payments for each premises.

Full details of the scheme, including qualifying criteria, are available at **[www.bussk.ie](http://www.bussk.ie)**
