

Winter's coming. Be prepared.

Get your winter check now.

Winter's almost here, in fact it looks like it's arriving early. Time for your Toyota Winter Check. We'll change your oil and filter, check your battery and tyres, and install Toyota software upgrades if required. Then we'll give you a full and free 40 point Mechanical Health Check with a written report, and a free pair of windscreen wipers. We're afraid you might be needing them.

Drop into any Toyota Dealer to book your winter check today, and get €20 off your next service or repair.
